

Potential for Collaborative TNR Programs—Matching Needs and Resources Worksheet

Match the needs and resources of your organization with those of potential collaborators	Spay-neuter Surgeries	Facilities (space for recoveries)	Personnel (trappers and/or caregivers)	Transportation (to and from surgery)	Equipment (traps, etc.)	Food (ongoing care)	Expertise (TNR instruction)	Funding (private grants or public)	Education-Community Outreach	Other
YOUR ORGANIZATION										
Gov. Animal Control Agency										
Shelter/Humane Society										
Low-cost Spay-neuter Clinic										
Local TNR-Rescue Group										
Other										

Instructions

Place either the word **need** or **resource** in the blocks applicable to your organization and those of potential collaborator(s). When needs and resources match within a column potential for collaboration may exist--see example worksheets also provided. *(Together Initiative, 2016-All Rights Reserved)*
